President's Message

From Ken Frank

Happy Crab Feed 'er Valentine's Day to you all. Saturday's V-Day/Crab Feed bash was a blast! Thanks to Kim Fix and her crew (way too many to name here, but come to the general meeting for the full list) and to the kids; OMG (ok, that's text for "oh my god"), the kids just steal the show, don't they. They hustle all night long. What I love about the crab feed and the boots to buckles as well, is the camaraderie, the mingling with club members, the catching up, the planning forward, the smiles and the well wishes. After all, isn't that what this club is all about? Yes, I know horses, but while horses are our common bond; it's the people. And, I think we as a club, have the greatest group of people and I'm proud to be a part of this with you – can you feel the love!

So, while I was hanging out at the bar – yes I know, you're shocked aren't you – I was chatting it up with a couple of members – wouldn't it be fun to have adult social night a couple times a year? Let us know what you think; nothing fancy, maybe we can put something together.

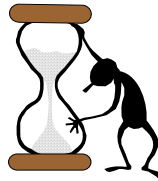

Thanks to Beth Roens and Dan Milikan for getting the troops together and putting on a really fun show. Great first turnout for the Cowboy Mounted Shooting clinic held here Saturday. Everyone has a nickname and with the likes of Katus Joe, California Girl, Old Buckaroo Steve, Scott and Dan, the clinicians put on a great, safe, fun and extremely exciting day. There were over 20 riders from young Juniors to ahchem senile 'er Seniors, gun toten, shootem up. Good clean fun had by all. Some of the more experienced riders who put on the clinic – well all I have to say is WOW! They can ride, and shoot, and turn on a dime and shoot again and hit 'em all – it was a lot of fun and the next time it's done you really don't want to miss it.

It seems at every turn we hear how our horse community is losing ground – literally. I don't know if you have heard that Beth Roens and I along with Anne Barath (of the Horse Council) have put our collective hat in the arena for the last remaining opening on the Marin County Parks and Open Space commission – there is one seat open with four applicants; the other person running is Maureen Gaffney (of the Marin Count Bicycle Collation). Then we hear that just before he left office, former President Bush pushed through legislation that would open millions of acres of National Park backcountry to mountain bikes without appropriate evaluation of whether it's safe or not to do so. I am more concerned at the time of this writing that the NPS had only received 241 comments on this proposed rule change. If you are concerned about trail safety issues you may want to contact your legislators – get involved.

Have you noticed the arena lately? With all the rain (thank goodness), it's surprising how well it's holding up and draining – so a big thank you to Dan Ritter for staying on top of this. Ever see Dan on his tractor out there – a bigger smile you won't see; he's like a kid in a candy store – don't cha think his tractor's sexy? (Ok, you knew that was coming)...

Remember, *just because the monkey's off your back, doesn't mean the circus has left town* – George Carlin

MARIN AUDUBON SOCIETY REQUEST

The Marin Audubon Society has recently transplanted native grass in two locations on their wetlands property. The first locations is to the northwest of the trailhead at the end of Bahia Drive and the other is just south of the newly restored marsh. Recently they have notice hoof-prints in these areas and have requested that we notify our members not to ride on these sensitive areas. They will be posting signs shortly to better identify that these areas are not open to public access use.

NHI OPERATING BUDGET APPROVAL

On Page 5 you will see the Proposed Operating Budget for 2009 drafted by NHI's Budget Committee. At the March General Meeting, the membership will be asked to vote on the budget. This budget is for our operational expenses and income and does not include capital improvements for 2009, which will be voted on it a separate meeting, once the projects are identified. Please take a moment to review the budget, if you have any questions please contact Curt Kruger at ckruger@cal.berkeley.edu or (415) 897-7308.

FARM DAYS VOLUNTEERS NEED

Thurs., March 19, 2009, 9:00–12:00, Marin Center Exhibit Hall. The Juniors will be there with a display of Horses in Marin as well as Carolyn Conner and her vaulters. The Juniors requested volunteers from the Seniors to help and supervise them. If you are able to volunteer, please contact Gabby Tapia at 895-1203 or ectapia1@comcast.net.

A Big Thank You To All The Crab Feed Volunteers

With Gratitude, Kim Fix

As my 22 year old step-daughter would say, "Good Times", and I believe that was the general consensus for all who attended the Crab Feed on Valentine's Day. We had a great turn-out for both seatings, plenty of food and most importantly, a room filled with smiling faces.

Everything ran smoothly and for this, I owe thanks to a wonderful and dedicated group of volunteers who went the distance to make the evening such a success.

Thanks to the following folks: Jill Peterson, Monte Kruger, Amy Hutchinson and Gilda Haggerty for helping with set up; Pam Fike, Mari Benson, Carolyn Conner, Sue Hambly, Art Yee, Karen Killian, Mary Shannon, Jana Hefner, Gary Sello, Dan Milikin, Susan Atamaniuk and Marianne Skinner for helping in the kitchen and running the bar, Jon Fix for running check in and working so nicely with the juniors, and Alyssa Aubrey, Ron and Janet Sauls, Gary Sello, Monte and Curt

Kruger, Eric Kruger, Gilda and Dennis Haggerty and Amy Hutchinson for helping to clean up so well that Sunday was a breeze! I'd especially like to thank Monte, Beth and Cory Roens, David Ruggiero, Pam Fike, Mari Benson and Marci Frank, who should be crowned "crab feed pros"!

Thanks to everyone who helped sell tickets! Once again, Dr. Jimmy Williams, (who also prepared salmon for those who don't eat crab), sold an incredible amount of tickets. AND FINALLY.....the juniors!!!! We have a remarkable group of juniors who worked hard all night

navigating tables, braving the rain and cold, and serving tables with a smile. We couldn't have done it without them and if you're one of the lucky parents, you should be proud!

There were so many folks who jumped in to help, if I've left anyone out, please accept my apologies.

Tips For Shedding Out Horse Hair

Gleaned from: www.horses.about.com

It gets in your eyes, mouth and sticks to your clothing. Yet we love it when our horses are shedding their winter coats. Like robins and crocus, it's a sure sign of spring. But we'd all like to help the process along. Here are some tips from other horse owners:

Fiberglass Blocks – Slick n Easy Blocks work. Except I don't use that brand, I go to a restaurant supply store and buy grill bricks. Same thing but costs \$2 instead of \$5 and is the size of a brick so you can cut 8 blocks out of it. In fact, our co-op here sells them side by side grill brick for \$2, and brand name for \$5. Guess which stack never decreases in size?

Don't Wear the Hair Home – I took an old sweatshirt out to the barn. Every day, when I groom my horse, I slip on my sweatshirt, groom, brush the shirt out with a finishing brush, and throw it in the hay shed until tomorrow.

At the end of the spring, I'll just toss the shirt.

Exercise Can Help – On days I have a little extra time, I use my curry, then longe the horse for 15 to 20 minutes. After longeing, I repeat currying and complete the grooming. I find hair comes out easier

after exercise, and the coat will take on a sleeker appearance in just a few days.

Worming – Check your worming schedule. A horse that is heavily infested with worms—especially a young horse—often will have a dull hair coat or will be slower to shed in the spring because the parasites rob the horse of needed nutrients.

Don't Forget Your Fine Feathered Friends – Birds love horse hair for "feathering" their nests. So, leave some of the shedded hair on the ground or in the nook of a tree and you'll be rewarded with hatchlings soon!

WAIVER AND RELEASE OF LIABILITY, ASSUMPTION OF RISK AND INDEMNITY AGREEMENT

I (we) am (are) voluntarily entering into the following agreement with NOVATO HORSEMEN, INC. and/or NOVATO JUNIOR HORSEMEN ("NJH's") together with their sponsors, property owners, officials, and affiliates and their respective directors, officers, employees, agents, volunteers, representatives, and affiliated persons or entities (all of these persons and entities will collectively be referred to in this agreement as "NHI").

In addition to myself (ourselves), I (we) also make this agreement on behalf of the following persons who are my (our) children or legal wards (under 18 years of age). These persons may attend or participate in open events sponsored or organized by NHI or closed events of members of NHI, and I (we) agree to bind them to this agreement. :

Child's Name. _____ Age: _____ Child's Name. _____ Age: _____

All parts of this agreement shall apply to me (us) and the children/legal wards listed above. [We will collectively call ourselves "I", "me", "my", "we", "us" or "our" throughout this agreement.] This agreement shall be binding at all times, now and in the future, when NHI permits me (us) (directly or indirectly) to attend or participate in events sponsored or organized by NHI at any location.

In consideration of NHI allowing me (us) and/or my (our) minor children or legal wards to attend or participate in events sponsored or organized, in whole or in part, by NHI, I (we) agree as follows:

1. EXPRESS ASSUMPTION OF RISKS. When preparing for, entering, attending, participating in, or leaving events sponsored or organized in whole or in part by NHI. Horses, mules and ponies are unpredictable by nature. For example, when frightened, angry, or under stress, the natural instincts of a horse, mule or pony are to jump forward or sideways, or run away from danger by trotting or galloping. Horses, mules and ponies are also known to kick, buck, rear up, spin around, strike, or bite. I (we) know that horses, mules or ponies can do these things without warning. I (we) also understand that all horses, mules and ponies are powerful and could have the potential to be dangerous to people who ride, handle, or are around them.

Further, I (we) understand that riding, handling, or being near a horse, mule or pony can expose me (us) to numerous hazards, which could include, for example: the propensity of a horse, mule or pony to behave in ways that may result in injury, harm, or death to persons around them; the unpredictability of a horse, mule or pony's reaction to sounds, sudden movements, and unfamiliar objects, persons, or other animals; certain hazards such as surface or subsurface conditions on the land; and/or collisions with other horses, mules, cattle, ponies, or objects. I (we) understand that these risks and dangers can occur with or without negligence on part of NHI, and I (we) expressly agree to assume all of these risks. I (we) also understand that these are just some risks, and I (we) agree to assume others; I (we) am (are) not relying on NHI to list all possible risks for me (us).

2. WAIVER AND LIABILITY RELEASE. As lawful consideration for being permitted to attend or participate in events sponsored or organized, in whole or in part, by NHI at any location, now and in the future, I (we) agree to assume full responsibility for any and all bodily injuries or damages which I (we) may sustain when engaging in these and other activities caused by the ordinary negligence of NHI. The term "damages" means, for example, medical expenses; losses incurred because of bodily injuries or property damages, and/or personal property damages. I (we), for my (our) heirs, administrators, personal representatives, agents, and assigns, waive, release, discharge, and covenant not to sue Novato Horsemen, Inc. and/or Novato Junior Horsemen, together with their sponsors, property owners, officials, and affiliates and their respective directors, officers, employees, agents, volunteers, representatives, affiliated persons or entities, and others acting on their behalf of and from any and all claims, damages, actions, omissions, suits, or causes of action (present and future), whether or not the claims are known or unknown, arising out of the ordinary negligence of any of these parties.

3. INDEMNITY AGREEMENT. I (we) also agree to indemnify and hold harmless Novato Horsemen, Inc. and/or Novato Junior Horsemen, together with their sponsors, property owners, officials, and affiliates and their respective directors, officers, employees, agents, volunteers, representatives, affiliated persons or entities, and other acting on their behalf against all damages which are sustained or suffered by any third person(s) [people who are not parties to this Agreement, including, *but not limited to*, participants, spectators, visitors, guests, or others], including any and all injuries or damages whatsoever that I (we) [or my (our) horse(s), mule(s) or pony(ies)] may cause, directly or indirectly, while attending or participating in events sponsored or organized in whole or in part by NHI. The indemnity shall include reimbursement of NHI's attorney fees and court costs.

4. PROTECTIVE HEADGEAR. For my protection, NHI advises me (us) to consider purchasing and wearing properly fitted and secured ASTM-standard/SEI-certified protective equestrian headgear when riding or when near horses or ponies I (we) am (are) not relying on NHI to monitor my (our) compliance with this suggestion, and I (we) understand that NHI will not check my (our) helmet (if I (we) wear one) or provide one for me (us) (if I (we) do not).

5. MISCELLANEOUS. This agreement is governed by California law and is intended to be as broad and inclusive as is permitted under the law. Should any clause conflict with California law, only that clause will be null and void and the remainder shall stay in effect. This agreement can only be modified or terminated by a written agreement that is signed by the President of NHI and me. If I (we) breach this agreement, I (we) agree to pay attorney's fees and court costs incurred by NHI related to such breach.

6. HEALTH AND DISABILITIES. Many disabilities have conditions that pose special physical risks to participants during exercise. Horseback riding is exercise. I (we) understand that NHI recommends that I (we) seek the advice of a physician before participating in activities that involve riding or being near horses, mules or ponies.

7. ALSO, I (WE) REPRESENT THAT:

- **AT THE TIME I (WE) AM (ARE) SIGNING THIS, I (WE) AM (ARE) OF SOUND MIND AND NOT SUFFERING FROM SHOCK OR UNDER THE INFLUENCE OF ALCOHOL, DRUGS, OR INTOXICANTS;**
- **I (WE) HAVE CAREFULLY READ THIS WAIVER AND RELEASE OF LIABILITY, ASSUMPTION OF RISK AND INDEMNITY AGREEMENT (BOTH PAGES), AND I (WE) FULLY UNDERSTAND IT; AND**
- **I (WE) AM (ARE) AWARE THAT THIS CONTRACT IS LEGALLY BINDING AND THAT I (WE) AM (ARE) GIVING UP LEGAL RIGHTS AND/OR REMEDIES TO ASSERT A CLAIM FOR NEGLIGENCE.**
