### **COME ALONG AND HAVE FUN**

**Working Cow:** this event is designed to give horse and rider an allotted amount of time to work their cow in a pattern that is based on Reining Cow Horse events.

**Ranch Cutting:** ranch cutting is an introduction to herd work; this program is for both beginning and advanced riders and horses.

**Team Penning:** team penning is a timed event; a team will cut their cow from the herd and put it in a pen for the best time. **VERY EXCITING**

**Basic Cow Work:** for those who are new to cattle, this program will help you and your horse learn how to read and work cows and have fun doing it. Everyone can benefit from this event.

I am Luke Shroyer and I am 6 years old and a second year member of this club. I am collecting old toner and ink jet cartridges, old laptops, old cell phones and Ipods for the Public Schools. We turn these in for money for the schools. Please bring these items to the Jr. Meetings or email or call me Luke Shroyer at 892-3662, [ToniShroyer@hotmail.com](mailto:ToniShroyer@hotmail.com)
